

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

INTELEPEER CLOUD  
COMMUNICATIONS, LLC,

Plaintiff,

v.

MILLICORP, INC.,

Defendant.

Case No. [16-cv-00303-MEJ](#)

**ORDER RE: DAMAGES  
CALCULATION**

Re: Dkt. No. 11

On March 16, 2016, Plaintiff filed a Motion for Default Judgment, in which it requests the Court enter an order granting default judgment on its claims against Defendant Millicorp, Inc., awarding damages in the amount of \$158,630.06, plus interest. Dkt. No. 11. As Defendant has not responded to the Motion, Plaintiff need not file a reply (or a proposed order, as the Court previously requested). However, in calculating damages, the Court notes that Plaintiff provided unpaid invoices totaling only \$142,493.41. *See* Compl., Ex. 5. Further, Plaintiff provides no information regarding its calculation of interest, although it appears to be based on section 4.4 of the MSA. Accordingly, the Court ORDERS Plaintiff to file a declaration, including relevant documentation, explaining the (1) \$158,630.06 requested damages, and (2) calculation of interest. Plaintiff shall file its declaration by April 7, 2016. No chambers copy is required.

**IT IS SO ORDERED.**

Dated: April 4, 2016
